## Bridging Heritage and Future Through Innovation

Rooted in the legacy of Sheikh Zayed Bin Sultan Al Nahyan, founder and first president of the UAE, Rabdan encapsulates the strength and nobility of its namesake - the Sheikh's legendary Arabian horse.

As a brand of intelligent new energy vehicles, Rabdan marries Arabian cultural heritage with state-of-the-art technology, continuing Sheikh Zayed's innovative spirit as it steers towards the UAE's Net Zero Carbon 2050 Strategic Initiative.

Rabdan is not just a brand; it's a symbol of ambitious energy transformation, redefining travel in style, comfort, and sustainable luxury.

Committed to becoming a global benchmark for technological innovation, we are leveraging advanced technology to outperform traditional fuel vehicles on every front. Our motto is more than just words; it's an ethos that encapsulates the essence of our brand.

With Rabdan, you're not just driving an energy efficient vehicle, you're making a statement about the future you envision.

# Interior

Step inside the Rabdan One and you're immediately enveloped in a haven of ecological luxury. The cabin boasts OEKO-TEX baby skin-friendly fabric, offering a harmonious blend of comfort and environmental consciousness. Your auditory senses are treated to the refined symphony of the DYNAUDIO Hi-Fi audio system. As for the tech-savvy, the world's first integrated auto self-raising triple screen dashboard brings a whole new level of interaction and convenience.

Combined with innovative features like an intelligent air management system, seat massage, ventilation, heating, and the extraordinary panoramic moonroof, the Rabdan One redefines what it means to ride in style and luxury. Even the fragrance in the car is intelligent, adding an extra layer of sophistication to your journey.

With Rabdan One, every drive is a holistic, immersive experience.

## Exterior

The Rabdan One boasts an exterior that exudes modern elegance and superior technology.

Its wing-shaped front DRL lights set gives it a distinctive, eye-catching presence on the road. The yacht-style body design with an encircling cab not only adds a touch of luxury but also contributes to its ultra-low wind resistance aerodynamic design.

Further enhancing its impressive profile are the advanced infrared sensors for night vision and a 360-degree high-definition camera, offering a seamless blend of design and function.

With the world's first forward-developed dual power architecture, the Rabdan One combines a sophisticated exterior design that's in perfect harmony with its advanced capabilities.

Experience the future of driving embodied in the unmistakable silhouette of Rabdan One.
